Backyard Composting

Community Program

Thursday
October 20, 2015
7PM to 8PM

**McClintock
Middle School**
1925 Rama Rd
Charlotte, NC 28212

NC Cooperative Extension is holding a **Backyard Composting Workshop**. Learn the basics for getting started in backyard Composting which is a great way to reduce waste going to the landfill. Composting also produces a super soil amendment that can improve soil aeration, water retention and provide additional nutrients to your ornamental plants and vegetables.

We will cover basic concepts of composting, how to establish your composting pile, troubleshooting composting problems and compost application. Our presenter is **Mr. Jim Burke**, Natural Resources Extension Agent for Gaston County.
